

VACANCY ANNOUNCEMENT

Job Opportunity

The Civil Aviation Safety Authority's (CASA) primary function is to conduct the safety and security regulation of civil air operations in PNG. CASA performs the following regulatory functions:

- develop, establish and promulgate safety and security standards
- monitor adhere to safety and security standards
- conduct comprehensive aviation industry surveillance
- issue, suspend and revoke aviation documents
- promote safety and security in the civil aviation system by providing safety and security information through education programs

To promote the highest level of aviation safety and security in PNG, CASA seeks to recruit a qualified, experienced and skilled person to immediately fill the position below.

1. Manager Human Resource

Reporting to the Executive Manager Corporate Services, the Manager Human Resource will play a critical role in ensuring the effective and efficient management of human resource services are provided to all staff of CASAPNG.

The candidate we seek to appoint must possess an appropriate tertiary qualification in Human Resource Management or other relevant qualifications equivalent and five years of work experience with proven track record at management or senior level in a similar or corporate environment and have good knowledge and understanding of relevant Government Legislation, Policies and Procedures.

Full details of Job Description can be obtained from the Human Resource Branch. Please forward all written applications including relevant certificates and recent updated CVs to:

Executive Manager Corporate Service,
Civil Aviation Safety Authority
P.O Box 1941
Boroko
National Capital District

Please note that only Short Listed candidates will be contacted for an interview. If you do not hear from us within 2 weeks from closing date of application, then you may consider your application unsuccessful.

Attn: Recruitment Officer or email to: recruitment@casapng.gov.pg

Deadline for submission of applications is 13th November 2020.

Authorized by:
Mr. Wilson Sagati, OBE
Acting CEO & Director of Civil Aviation
